

**Table 1. Species and subspecies, all records of which should be verified in Poland.**

*Gavia immer*  
*Gavia adamsii*  
*Fulmarus glacialis*  
*Calonectris diomedea*  
*Puffinus griseus*  
*Puffinus mauretanicus*  
*Oceanites oceanicus*  
*Hydrobates pelagicus*  
*Oceanodroma leucorhoa*  
*Sula bassana*  
*Phalacrocorax aristotelis*  
*Phalacrocorax pygmeus*  
*Pelecanus onocrotalus*  
*Pelecanus crispus*  
*Ardeola ralloides*  
*Bubulcus ibis*  
*Egretta garzetta*  
*Plegadis falcinellus*  
*Platalea leucorodia*  
*Phoenicopterus ruber*  
*Anser brachyrhynchus*  
*Anser erythropus*  
*Anser caerulescens*  
*Branta canadensis* ssp. (1)  
*Branta bernicla hrota*  
*Branta bernicla nigricans*  
*Branta ruficollis*  
*Tadorna ferruginea*  
*Anas falcata*  
*Anas formosa*  
*Anas discors*  
*Aythya collaris*  
*Somateria spectabilis*  
*Polysticta stelleri*  
*Histrionicus histrionicus*  
*Melanitta nigra americana*  
*Melanitta perspicillata*  
*Oxyura leucocephala*  
*Elanus caeruleus*  
*Haliaeetus leucoryphus*  
*Neophron percnopterus*  
*Gyps fulvus*  
*Aegypius monachus*  
*Circaetus gallicus*  
*Circus macrourus*  
*Accipiter brevipes*  
*Buteo buteo vulpinus*  
*Buteo rufinus*  
*Aquila clanga* (2)  
*Aquila nipalensis*  
*Aquila heliaca*  
*Hieraetus pennatus*  
*Falco naumanni*  
*Falco eleonora*  
*Falco cherrug*

Falco rusticolus  
Lagopus lagopus  
Porzana pusilla  
Porphyrio porphyrio  
Anthropoides virgo  
Tetrax tetrax  
Chlamydotis undulata  
Otis tarda  
Himantopus himantopus  
Burhinus oedicephalus  
Glareola pratensis  
Glareola nordmanni  
Charadrius alexandrinus  
Charadrius mongolus  
Charadrius leschenaultii  
Charadrius morinellus  
Chettusia gregaria  
Chettusia leucura  
Calidris fuscicollis  
Calidris bairdii  
Calidris melanotos  
Calidris maritima  
Tryngites subruficollis  
Numenius tenuirostris  
Tringa melanoleuca  
Tringa flavipes  
Xenus cinereus  
Phalaropus fulicarius  
Stercorarius pomarinus  
Stercorarius longicaudus  
Catharacta skua  
Larus ichthyaetus  
Larus sabini  
Larus genei  
Larus delawarensis  
Larus fuscus graellsii (3)  
Larus fuscus intermedius (3)  
Larus glaucoides  
Larus hyperboreus  
Rhodostethia rosea  
Rissa tridactyla (3)  
Pagophila eburnea  
Gelochelidon nilotica  
Sterna dougallii  
Sterna paradisaea (3)  
Uria aalge (3)  
Uria lomvia  
Alca torda (3)  
Cepphus grylle (3)  
Alle alle  
Fratrula arctica  
Syrhaptes paradoxus  
Clamator glandarius  
Otus scops  
Nyctea scandiaca  
Surnia ulula  
Glaucidium passerinum (4)  
Strix uralensis (5)  
Strix nebulosa  
Aegolius funereus  
Apus melba

*Ceryle rudis*  
*Dendrocopos syriacus* (7)  
*Melanocorypha calandra*  
*Melanocorypha leucoptera*  
*Melanocorypha yeltoniensis*  
*Calandrella brachydactyla*  
*Hirundo daurica*  
*Anthus richardi*  
*Anthus hodgsoni*  
*Anthus gustavi*  
*Anthus petrosus* (3)  
*Motacilla flava* ssp. (8)  
*Motacilla citreola*  
*Motacilla alba yarrellii*  
*Prunella montanella*  
*Tarsiger cyanurus*  
*Saxicola torquata maura*  
*Oenanthe isabellina*  
*Oenanthe pleschanka*  
*Oenanthe hispanica*  
*Oenanthe deserti*  
*Monticola saxatilis*  
*Zoothera dauma*  
*Zoothera sibirica*  
*Turdus obscurus*  
*Turdus naumanni*  
*Turdus ruficollis*  
*Cettia cetti*  
*Locustella certhiola*  
*Acrocephalus melanopogon*  
*Acrocephalus agricola*  
*Acrocephalus dumetorum*  
*Hippolais polyglotta*  
*Sylvia cantillans*  
*Phylloscopus trochiloides*  
*Phylloscopus borealis*  
*Phylloscopus proregulus*  
*Phylloscopus inornatus*  
*Phylloscopus humei*  
*Phylloscopus schwarzi*  
*Phylloscopus fuscatus*  
*Phylloscopus bonelli*  
*Phylloscopus collybita tristis*  
*Parus cyanus*  
*Sitta europaea asiatica*  
*Lanius isabellinus*  
*Lanius minor*  
*Lanius meridionalis*  
*Lanius senator*  
*Perisoreus infaustus*  
*Pyrhacorax graculus*  
*Sturnus roseus*  
*Petronia petronia*  
*Montifringilla nivalis*  
*Serinus citrinella*  
*Carduelis hornemanni*  
*Loxia leucoptera*  
*Loxia pytyopsittacus*  
*Pinicola enucleator*  
*Junco hyemalis*

Calcarius lapponicus (3)  
Emberiza leucocephalos  
Emberiza cirrus  
Emberiza cia  
Emberiza rustica  
Emberiza pusilla  
Emberiza aureola  
Emberiza melanocephala

**Table 2. Species and subspecies, only breeding records of which should be verified in Poland.**

Gavia arctica  
Podiceps auritus  
Egretta alba  
Ardea purpurea  
Cygnus cygnus (7)  
Anas penelope  
Netta rufina  
Aythya nyroca  
Aythya marila  
Somateria mollissima  
Mergus serrator (9)  
Aquila chrysaetos (7)  
Falco vespertinus  
Falco peregrinus  
Haematopus ostralegus (3)  
Recurvirostra avosetta  
Pluvialis apricaria  
Lymnocyptes minimus  
Gallinago media (2)  
Tringa stagnatilis  
Tringa glareola (10)  
Larus melanocephalus  
Larus minutus  
Larus fuscus  
Larus cachinnans  
Sterna caspia  
Sterna sandvicensis  
Sterna paradisaea  
Chlidonias hybridus  
Chlidonias leucopterus  
Merops apiaster (11)  
Luscinia svecica svecica (12)  
Corvus corone corone  
Carduelis flammea (7)

- (1) all subspecies but *B. c. canadensis*
- (2) beyond Biebrza Marshes
- (3) beyond Baltic coast
- (4) beyond Bialowieza Forest
- (5) beyond Carpathians
- (6) beyond Carpathians, Sudetes Mts. and Bialowieza Forest, as well as migratory birds on coast
- (7) beyond permanent breeding grounds
- (8) all subspecies but *M. f. flava* and *M. f. thunbergi*
- (9) beyond Kaszuby Lake District
- (10) beyond Bielawskie Marshes
- (11) beyond SE Poland
- (12) beyond Tatra and Karkonosze Mts.
